Finishes and options

Metal

Tougher than conventional paint, our standard powder coats are suitable for indoor and outdoor use. Along with a wide range of colors, our powder coat line offers exceptional protection against harsh UV rays and inclement weather.

RAL Color Finder Program

Choose from over 150+ metal colors that will make your next project feel even more personalized. Visit the resources page of our website to download the full brochure and see all of the options.

Outdoor Upholstery

Our upholstery policy is simple; use nearly any upholstery materials you'd like or choose from our fabric partners. We hand-sew and hand-fit fabrics over high resilience foam for superior comfort, appearance, and durability.

We recommend using outdoor grade fabrics for the Opla seat pad. Be sure to check out the Sunbrella Contract collections from these partners:
